## HOW DOES IT WORK?

The Community Fundraiser scheme is a partnership between charities like us and the Utility Warehouse Discount Club. You may not have heard of the Utility Warehouse before, as they don't advertise in the national press or on TV.

That's the secret to saving customers' money. The company relies on personal recommendation and passes the savings it makes on to its customers - by charging less. The Utility Warehouse is an award-winning FTSE 250 PLC with over 450,000 customers.
